The Right Goods.

Every effort is made to secure merchandise in which we have the utmost confidence—the perfectly reliable kindsuch as is backed by the guarantee of the manufacturers. Must be right for style, for quality, and at prices that meet the needs of our trade. There's a peculiar satisfaction accompanies the sale of such goods-a feeling of absolute confidence. The splendid showing in our spring and summer stock in goods that possess worth, will bear us out in the assertion that if perfectly right for style and quality, it will be economy to buy it from us.

Passed by The House.

Resolution Favoring Intervention Adopted by a Big Majority.

A Washington dispatch to the Evening Wiscousin late yesterday afternoon gives the following:

The minority report of the House Committee on foreign affairs was voted on first and was rejected by a vote of 150 to 191.

Mr. Dinsmore then moved to recommit, with instructions to report lack an amendment recognizing the inde-

pendence of the Cuban republic.

The vote on the motion to recommit was taken by ages and noes. It to chronic diseases. was lost by 146 to 190.

The final vote on the majority report was 324 ayes to 20 mays.

Wisdom of the Early Statesmen.

among nations and the increased was out about an hour and a half prosperity that might have been ours had we encouraged our men and loys to seek it in our ships. Statesmen in on his part, for if he should ever the early life of our country realized again come up before a jury in Oneida better than we all that it me int for a county, all the testimony in the unination to be rich in its ocean power. verse wouldn't save him from going They knew what it meant to have our over the road, as a jury would find flag seen in foreign ports; they knew him guilty on general principles. that a prosperous merchant marine, Thomas Jefferson so aptly put it in in a verdict of acquittal, after being been one of the greatest the stage speaking of our merchant marine; out but a short time.
